Connections with Coffee - Episode #3

The Blue Transition House

Participants of Kentucky Bus Tour

A WORD FROM OUR DIRECTOR

Greetings to all,

Thank you, thank you, thank you to the board, the tremendous volunteers, and supporters of *Justice for All*. The fiscal year ended September 30, 2023, and without a doubt was one of, if not the most incredible year for the ministry. The unwavering belief that the Lord is providing a way and a path for *Justice for All* was most evident this year. Some of the things that happened this year include.

- purchased a second transitional house
- added a new church partner with two service and learning trips
- a safe and very successful Kentucky Bus Tour
- facilitated another container of humanitarian aid shipped to Ukraine
- organized and executed the second *Justice for All* golf benefit.
- *JFA Connections with Coffee* podcast is launched
- monthly volunteer spotlight
- deepened partnerships with ministries and churches in the area to better connect people to ways God's work can be done here on earth

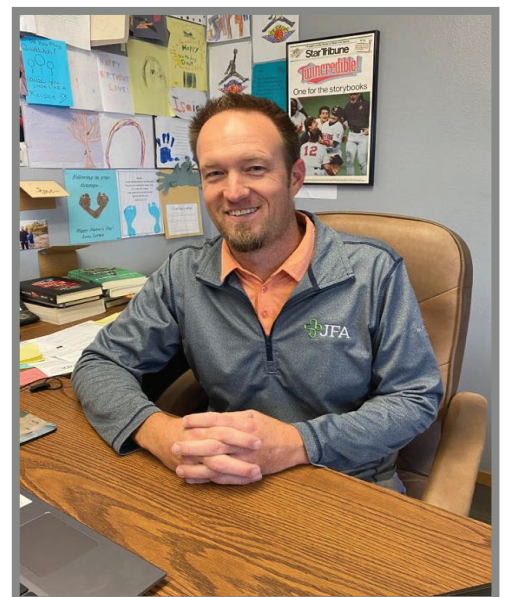

We are also grateful to those who continue to take part in the mission of our *Caring and Sharing* warehouse ministry. It is through the volunteers from all over the area that sort, pack, and ship items to partner ministries. We are blessed with amazing volunteers who continue to show up and be a part of the ministry. Our service and learning trips saw a new church partner with us as well as several new volunteers. We are looking forward to the coming year with trips as well. If you haven't experienced a trip with *JFA* please consider joining us. The transition house ministry has been continuing to expand with the addition of another house in Rock Valley. The opportunity to purchase could only have been led by the Spirit and thus made the decision very easy. We are looking forward to getting the *Blue House* ready for a tenant.

It cannot be overstated the amount of gratitude the staff and I feel toward volunteers and supporters of *Justice for All*. Each of us are currently called to the roles we fill in this ministry and are fortunate to be fulfilling God's plan and purpose for our lives and *Justice for All* at the same time. We are all looking forward to the next 12 months to see how God will continue to shape each of us and the path *JFA* is moving along.

Blessings

Joel De Wit

2023/2024 Budget Income/Expense

Transitional House Update

2022 Green Transitional House

2023 Blue Transitional House

Justice for All has had transitional housing as part of the ministry for two years. There have been two tenants who have moved into and out of the green transition house. Recently *JFA* was able to purchase a second house in Rock Valley to be used for transitional housing. The blue transition house is in the process of being cleaned out and updated to provide a potential individual or family with the ability to have a safe place with support in the program to get things situated in their life. Through the transistional housing program, *JFA* is committed to working with individuals and families to develop the potential God has given them.

Kentucky Bus Trip

Except taken from Carla Nibbelink recap of Kentucky Bus Tour

From April 11 to April 17, we traveled with forty-eight others on the *JFA Kentucky Bus Tour*. It was a week of learning, spiritual renewal, encouragement, and inspiration that demonstrated *JFA's* mission statement – “*Providing opportunities, building relationships, and redistributing resources through caring and sharing in Christ's name.*” Over the week we stopped at partner missions and other places of interest to understand the culture of the area. Partner ministries included *Appalachian Mission of Hope*, *Grace Covenant Ministries*, *Helping Hands Thrift Store*, and *Appalachia Reach Out*.

Another stop included a tour of an old coal mine. Mining coal was the largest employer in Eastern Kentucky; *US Steel* closed the mines because importing coal was cheaper. The closures have left Eastern Kentucky impoverished. We were informed that many people in the hollars have no vehicles and are decimated because of no jobs.

The tour also included *Fort Boonesborough* on the Kentucky River, and a *Bluegrass Country Tour* of a racehorse farm. Then we visited the *ARK Encounter*. The full-size scale of Noah's ark was over 510 feet long and seven stories high. It was very impressive.

On the trip home to Rock Valley, we stopped in Dubuque. The bus rides were full of visiting with new and old friends, telling jokes, playing trivia, singing, and sharing how God has worked in our lives. It was so enjoyable to be able to spend time with others who have a passion for *JFA*.

2024 Mississippi Bus Tour

MS Bus Tour is April 3-10, 2024. We'll be visiting our Mississippi ministry partners, exploring and experiencing the culture with a stop in Branson on the way home. **Cost:** double - \$1,500/person; single - \$1,850

If you would like more information, please contact Pat Vander Pol at *JFA*. patvp@jfa-nwiowa.org

JFA's Volunteers

At JFA, volunteers are the heartbeat of the *Caring and Sharing* ministry. Since its foundation 40 years ago, volunteers have developed, sustained, and have allowed Justice For All to dream and pray about what God has next.

Volunteers show up to fix, pack, load, sort, and carry one another's burden. It is not just the volunteers that show up daily from Rock Valley, Luverne, Sioux Center, Hull, George, and surrounding communities, it is even more. Volunteers show up to clean, fix, build and restore homes. JFA's volunteers also serve other nonprofit ministries. Amazing people working together to be the hands and feet of Jesus.

JFA Volunteers have given 12,624.25 hours of their precious time to futher the ministry of *Justice For All*

JFA Volunteer Spotlight

Gene VanderGiesen

Mary Lund

Duane Koele

Lorna Tiedeman

Roger Vis

Maryls DeGroot

Walt Blom

Trena VanWyk

Floyd Davelaar

Evelyn Bajema

In 2023 JFA has been featuring some of many volunteers. Volunteers are interviewed and photographed. Their short stories and pictures are then displayed in JFA's lunchroom and uploaded to Facebook. JFA has featured ten volunteers since January of 2023. These men and women represent the work ethic, knowledge and generosity of JFA.

Caring & Sharing

JFA and Aid for Ukraine

In God's economy, faith is the investment that conducts the will of God. Part of *JFA's* mission is to redistribute resources through caring and sharing in Christ's name. *JFA* strives to live out that mission locally, nationally and across the world. Siebrings continue to organize and facilitate containers. The fourth shipment should arrive in the Ukraine before December 1.

In 2023 *JFA* has loaded three more containers for aid to Ukraine. People have come from miles to assist in filling the containers. In Ukraine, the war rages and its residence suffer even more from having less. Regardless of our political leanings and opinions about this unjust war, the plight of millions is visible through human suffering. Ukrainians are displaced, hungry, cold, and traumatized through that which they have no control.

Being able to give and extend a helping hand shines the light of God in this dark place. Partnering with *Hope Haven*, *Sunflower Seeds Ukraine*, *Orphan Grain Train* and others, the many donations provided are allowing Gordie Siebring to distribute goods all over Ukraine.

Service and Learning Trip Reflection Highlights

Harvest Hands: Juarez, Mexico January 20-27, 2023

I am used to being in charge of my life. Harvest Hands was good for me. I needed to step back and take directions from someone else. “

“All what I do know, I was reminded to do.”

“This trip is a great experience in personal growth for outreach. Bringing God’s Word to a lost world in need of a Savior.”

“I learned Spanish, to listen attentively, to respect others. I learned instant obedience verses on my own time.”

Voice of Calvary Ministry: Jackson, MS February 3-9, 2023

“It was helpful to hear the stories and dreams of people from the community.”

“Renewed my commitment to helping these less fortunate”

“I have learned tons about the Civil Rights movement and what it was. I knew nothing about it. The change I experienced was realizing I am not too old to do something and make a difference. The growth can be seeing that I could organize service groups in my community if God Leads. “

Service and Learning Trip Reflection Highlights

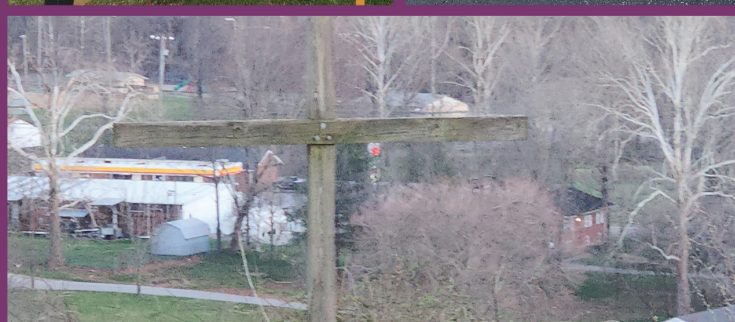

Grace Covenant Ministries: Annville, KY March 3-10, 2023

"Sunday church was really good for me, but I was also unaware of the poverty in this area."

"I learned a lot about southern hospitality, that was great!"

"Everyone was so awesome, really relaxed community."

"I understand better the value of my family and community; our Northwest Iowa is so blessed financially, but maybe lacking in real relationships that matter."

Grace Reigns: March 25-April 1, 2023 Colorado City, AZ/Hildale, UT

"I enjoyed doing a lot of different things while there."

"It was nice to learn new things."

"Cody was very good about helping and explaining how to do the electrical things he wanted us to do."

"It was hard work but felt very helpful about unloading the semi and then reloading it."
